EXPERIENCES

2011 - current ~ **WEB DEVELOPMENT MANAGER**

Angels Healthcare Companies, Abington MA

2007 - 2011 ~ **WEB DEVELOPER**

Cambridge Interactive Development Corp (CIDC), Cambridge MA

Worked on multiple websites using HTML, Perl and Plone CMS, focusing heavily on the use of SEO techniques and cross browser support. Managed content translations of all sites in to 19 languages. Worked with creative and UX teams to ensure designs and user interactivity for sites were feasible. Made use of source ordering content techniques when/where appropriate.

2005 - 2007 ~ **WEB TECHNICIAN**

Casual Male Retail Group, Canton MA

Maintained content in product databases for both Casual Male and Rochester online stores. Managed both Amazon and Sears.com storefronts. Worked on creating online versions of high resolution product photos; creating color swap versions and color swatches. Created the mapping of digitized print catalog in third party system.

FREELANCE AND CONSULTING WORK

Since 2004, I have been doing freelance work, working closely with third party graphic, making sure the sites are built for cross browser compatibility and made use of proper SEO techniques.
